What's so great about Libby?

- You can read or listen to items right in the Libby app

- You can download items for offline enjoyment, or stream them to save space

- You can sign into multiple libraries, with one or more cards for each library

- You can highlight or annotate your text

- You can adjust the playback speed when listening to audiobooks

- You can tag titles to organize the books you've read, want to read, loved, or hated

- You can sample any book with one tap to help you decide if you want to borrow the book

- You can change your reading settings to enlarge your font, switch to an OpenDyslexic font, or change your lighting mode to sepia or dark

- You can see a progress bar to know how many pages you have left in a chapter or book

- You can find out the approximate wait time on a title to help determine whether or not to place something else on hold, or to borrow another title while you wait

FAQs:

Do I need an internet connection?
Only to browse the catalog and to download

What happens when a title expires?
The titles will automatically return themselves, no action is needed on your part

What if I don't finish my book?
The app will remember your place, simply check out the title again to resume reading. Your *Settings* controls how many past titles are remembered

Can I renew a book?
Yes! If there are no holds on the title, you can renew two days before it is due. Simply tap on the cover for your details, and tap Renew Loan, then Renew!

Can I return an eBook early?
Yes! Tap the cover, then Return Title to Library, and confirm by tapping Return!
