

Whitman and Hanson Middle School Summer Reading Challenge 2023

This summer, Whitman and Hanson students are invited to participate in the Summer Reading Challenge! Take the opportunity to expand your reading horizons and choose books, short stories, articles, etc. that you might not read otherwise. Keep a log of everything that you read and share it with your teacher in the fall. You can visit our local libraries or access your **SORA account through Clever** to check out a variety of materials.

Additionally, keep your ELA skills sharp and jump back into the IXL arena and complete the 20 day summer boost challenge. Students can log into their **IXL accounts through Clever** and then click on the skills plan tab.

**Stay Safe and Healthy
and
Happy Reading**
